

CAMERON BARRETTE

Charlotte, MI | www.CameronBarretteIT.com
540.824.0827 | cameronbarrette14@hotmail.com

Motivated cybersecurity student with practical hands-on experience in networking, systems, and security through real-world labs and simulations. Known for strong problem-solving skills, technical curiosity, and a commitment to mastering cybersecurity fundamentals while preparing for certifications and professional growth.

EXPERIENCE

THE SHYFT GROUP

Trey Research | Charlotte, MI

2022 – 2024

Worked in a manufacturing and production environment supporting daily operations while maintaining organization, accuracy, and efficiency. Assisted with technical tasks, equipment setup, inventory tracking, and problem-solving to ensure smooth workflow on the production floor. Collaborated with team members to meet production goals, followed safety and operational procedures, and developed strong attention to detail, time management, and troubleshooting skills in a fast-paced environment.

FORKLIFT OPERATOR / WAREHOUSE ASSOCIATE

Southern Shingles Oklahoma City, OK

2020 – 2021

Operated a forklift to load, unload, and transport materials while assisting with shipping, receiving, and inventory organization.

PROFESSIONAL MOVER

A1 Movers | Christiansburg, VA

2019 – 2021

Assisted with loading, unloading and transporting household and office items while ensuring safe handling and customer satisfaction during local and long-distance moves.
